

DR Recruit Me Signs Staffing Contract with a Leading French Web Entertainment Company

Montreal, Canada, January 11, 2008 --([PR.com](#))-- DR Recruit Me (www.drrecruitme.com), a Montreal based firm specialized in the recruitment and placement of qualified candidates in IT, programming, corporate sales, marketing and communications has just signed another staffing contract.

The client is a leading French company that specializes in the development of web-based applications for the online entertainment industry. Headquartered in Toulouse France, it has many branches around the globe including one in Montreal's Plateau Mont-Royal district (Canada). This is the 6th significant recruitment deal signed by DR Recruit Me in recent months.

"This recent signing demonstrates once again the quality and effectiveness of our recruitment services as well as the positive reputation that our firm is starting to enjoy in the IT sector" said Dany Raphael, founder and president of DR Recruit Me.

DR Recruit Me uses Web 2.0 tools to bring the power of technology and social networking to its own recruitment strategies. These tools are used in combination with other more traditional job posting strategies.

The agency operates most of its business online. As a result, this helps small and medium size companies save on their recruitment budget.
